SEMINAR DESCRIPTION

Dentistry is changing faster than ever before, and now is the time to prepare for the future. Together, we'll explore ten emerging risks facing today's dentist — including inadequate history and physicals, anesthesia, and patients with limited English proficiency. Join us for an interactive lecture followed by Q&A.

COURSE OBJECTIVES

At the conclusion of this presentation, participants will be able to:

- List ten recognized sources of potential professional liability and/or legal risk common to the practice of dentistry;
- Evaluate their practice to determine its exposure to these risks;
- Explain strategies to improve or eliminate these risk exposures.

SPEAKERS

Theodore (Ted) Passineau, JD
HRM, RPLU, CPHRM, FASHRM

A Senior Patient Safety & Risk Consultant with MedPro Group, Ted has worked

in the field of medical malpractice since 1987. His professional achievements include experience as a medical malpractice defense attorney, risk management consultant, director of risk management, and director of continuing medical education for both doctor-owned and commercial medical malpractice insurers. Ted has provided instruction to thousands of healthcare providers across the United States and internationally. In addition to his academic credentials, Ted has been trained in healthcare mediation and conflict resolution by the Harvard School of Public Health, and clinician — patient communication by the Institute for Healthcare Communication. His affiliations include Adjunct Professor of Medical Law at the Thomas M. Cooley Law School, advisory panel member for a physician litigation stress website, and former board member of the Tri-County Medical Control Authority.

W. Patrick Sullivan, Esq.

Pat represents professional health care providers, including doctors, dentists, nurses, and nursing homes in malpractice claims and in matters pending before professional licensing boards. His experience includes successful jury trials in numerous counties throughout Wisconsin, as well as several hearings before the Department of Regulation and Licensing. He graduated from Tufts University (BA), Columbia University (MA), and Marquette Law School (with honors). He also defends health care providers and clinics against employment discrimination claims before the ERD and EEOC. Since 1996, Pat has represented all of PIP's insured dentists in Wisconsin malpractice cases — and is a frequent presenter at risk management seminars across the state..

Continuing Education Credits

MedPro is designated as an Approved PACE Program Provider by the Academy of General Dentistry.

The formal continuing dental education programs of this program provider are accepted by AGD for

Fellowship/Mastership and membership maintenance credit. Approval doesn't imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from October 1, 2015, to September 30, 2018. Provider ID 218784.

MedPro designates this continuing education activity as meeting the criteria of up to 4 hours of continuing education credits. Doctors should claim only those hours actually spent in the activity.

Premium Credit

MedPro insureds who attend this seminar may be eligible to earn a 7.5% risk management premium credit* for the next three policy renewals.
