

HIPAA IN DENTISTRY

WEBINAR

TIME

1 p.m. – 3 p.m.

FEE

\$25 per person

CREDITS

Two CE credits earned for attending this course.

Nan Dreves, RDH, MBA, will be presenting the course; *HIPAA IN DENTISTRY*. Compliance with HIPAA and proper management of protected health information (PHI) are critical to any dental office. Not just to avoid government fines for noncompliance, but for doing the right thing with your patient's information. Dental professionals and all team members across the industry are required to receive HIPAA compliance education.

LEARNING OBJECTIVES:

- Recognize HIPAA compliance requirements for dental offices.
- Identify necessary safeguards for transmission, management and storage of data.
- Know proper behaviors necessary to maintain patient confidentiality.
- Learn a little HIPAA (not HIPPO) humor.

HOSTED BY

Professional Insurance Programs
A division of WDA Insurance & Services Corp.

Nan Dreves, RDH, MBA, of La Crosse, Wisconsin is an enthusiastic and comprehensive speaker/consultant specializing in dental occupational health, compliance (e.g. HIPAA), safety and practice management topics. She graduated from Ferris State University, Big Rapids, MI in dental hygiene, received her MBA from Cardinal Stritch University, Milwaukee, WI and is a Certified OSHA Safety Instructor.

Registration information for this event can be found on the enclosed form.
