325 South Moorland Road
Brookfield, WI 53005

TIME

1 p.m. – 3 p.m.

FEE

\$25 per person

CREDITS

You will earn 2 CE credits for attending this course.

Shortly after our Dental Risk Management Seminar on Friday, September 17th, Nan Dreves, RDH, MBA, will be presenting the course; *2021 OSHA and CDC in Dentistry*. Dentists, dental hygienists, dental assistants and all dental team members will update compliance knowledge based on OSHA/CDC requirements by attending this course. This course will include lecture, audience participation, fabulous prizes, spontaneous leaning and laughter. Every participant will be granted continuing education credits.

LEARNING OBJECTIVES:

- Understand current OSHA Bloodborne Pathogens Standard, CDC infection control directives and how to implement (including respiratory protection e.g., COVID-19 protocols)
- Identify patient and employee safety hazard(s) in dentistry and how to correct them.
- Learn proper personal protective equipment, disinfection, sharps disposal, needlestick management, sterilization, aerosolization control and interment handling.

HOSTED BY:

Professional Insurance Programs
A division of WDA Insurance & Services Corp.

Nan Dreves, RDH, MBA, of La Crosse, Wisconsin is an enthusiastic and comprehensive speaker/consultant specializing in dental occupational health, compliance, safety and practice management topics. She graduated from Ferris State University, Big Rapids, MI in dental hygiene, received her MBA from Cardinal Stritch University, credentialed by OSAP and is a Certified OSHA Safety Instructor.

Registration information for this event can be found on the enclosed form.
Registration deadline is September 3, 2021.
