Telehealth services from Teladoc®

Connect with a licensed physician over the phone or via video consult 24/7/365. Behavioral health and dermatology services are also available.

- » Phone: 800-Teladoc (800-835-2362)
- » Computer: teladoc.com
- » Mobile device: Teladoc app
- » Find information at wpshealth.com/telehealth

It's easy to set up your account by phone, website, or mobile app. Once your account is set up, provide your medical history so Teladoc doctors have the information they need to make an accurate diagnosis. Then, you're ready to request a consult anytime you need care.

Express Scripts and Propeller Pulmonary Care program¹

- » Helps customers manage asthma and chronic obstructive pulmonary disease (COPD)
- » Propeller sensors attach to inhalers and collect information about medication use
- » Data is sent wirelessly to a smartphone app, which learns the user's symptoms and medication use patterns to build a personalized profile
- » Actionable information helps customers better manage their condition
- » The app provides medication reminders, tracks medication use, gives a daily forecast, provides monthly and weekly summary reports, and can help users find a lost inhaler
