

# Dental Infection Prevention Priorities: Notes from the Field

## LOCATION

**Brookfield Conference Center**  
325 South Moorland Road  
Brookfield, WI 53005

## TIME

1 p.m. –2 p.m.

## FEE

\$25 per person

## CREDITS

You will earn 1 CE credit  
for attending this course.

**Shortly after our Dental Risk Management Seminar on Friday, September 20, 2024, we invite you to join us for a presentation by Ashley O’Keefe, infection preventionist with the Division of Public Health. Ashley will share findings from observations in a variety of dental clinics across the state. Every participant will be granted a continuing education credit.**

## OBJECTIVES:

Highlight areas of success as well as opportunities for improvement in infection prevention practices.

Provide tips for implementation of best practices in the areas of dental unit waterline management.

Cover sterilization in detail.

## HOSTED BY:

**Professional Insurance Programs**  
A division of WDA Insurance & Services Corp.

Registration information for this event can be found on the enclosed form.

**Registration deadline is September 4, 2024.**

---

**Ashley O’Keefe, MLS (ASCP)CM, CIC, CDIPC** is a certified Infection Preventionist with seven years of experience overseeing infection prevention and control in health care and dental settings. Ashley currently co-leads the Division of Public Health Oral Health Infection Prevention Project, a partnership between the Healthcare-Associated Infections Prevention Program and the Oral Health Program. Ashley’s focus is supporting the health and safety of dental health care providers (DHCP) and their patients by standardizing infection prevention practices across Wisconsin.
